Pricing Information

Each Villa is customizable. Persons interested in owning a home in Madewini Villas will select a lot from those available along with a Villa design for us to construct.

Calculating the Cost for Your Villa

Calculating your property price can be done in three easy steps

- Select a Villa design- Remember, the building cost is US\$80 multiplied by the total square footage
- Select an available lot from phase 1, 2 or 5
- Combine the cost for the lot with the cost for the Villa to find you property cost
